

We are Fully Loved

God has proved his love by giving us his greatest treasure, the gift of his Son.

Who then would dare to accuse those whom God has chosen in love to be his? God himself is the judge who has issued his final verdict over them—"Not guilty!"

Who could ever separate us from the endless love of God's Anointed One? Absolutely no one! For nothing in the universe has the power to diminish his love toward us.

So now I live with the confidence that there is nothing in the universe with the power to separate us from God's love.

There is no power above us or beneath us—no power that could ever be found in the universe that can distance us from God's passionate love, which is lavished upon us through our Lord Jesus, the Anointed One!
